Make me Laugh & I will buy you a beer!

**A Christmas Tale:** One particular Christmas season a long time ago, Santa was getting ready for his annual trip, but there were problems everywhere. Four of his elves got sick, and the trainee elves did not produce the toys as fast as the regular ones so Santa was beginning to feel the pressure of being behind schedule. Then Mrs. Claus told Santa that her mom was coming to visit. This stressed Santa even more. When he went to harness the reindeer, he found that three of them were about to give birth and two had jumped the fence and were out, heaven knows where. More stress. Then when he began to load the sleigh one of the boards cracked, and the toy bag fell to the ground and scattered the toys. So, frustrated, Santa went into the house for a beer and a shot of rum. When he went to the cupboard, he discovered that the elves had hidden the liquor, and there was nothing to drink. In his frustration, he accidentally dropped his beer mug, and it broke into hundreds of little pieces all over the kitchen floor. He went to get the broom and found that mice had eaten the straw end of the broom. Just then the doorbell rang, and irritable Santa trudged to the door. He opened the door, and there was a little angel with a great Christmas tree. The angel said cheerfully, "Merry Christmas, Santa. Isn't it a lovely day? I have a beautiful tree for you. Where would you like me to stick it?" And thus began the tradition of the little angel on top of the Christmas tree.

"Wow Mom, thanks for the couch, it's perfect."

Three men die in a car accident Christmas Eve. They all find themselves at the pearly gates waiting to enter Heaven. On entering they must present something "Christmasy". The first man searches his pocket, and finds some Mistletoe, so he is let in. The second man has green socks and a red shirt on, so he too is also allowed in. The third man pulls a pair of panties out of his back pocket and tosses them on the counter.

Confused at this, St. Peter asks, "Hold on a minute, how do these represent Christmas?" The third man answered "They're Carol's."

John, woke up after the annual office Christmas party with a pounding headache, cotton-mouthed and utterly unable to recall the events of the preceding evening. After a trip to the bathroom, he made his way downstairs, where his wife put some coffee in front of him. "Louise," he moaned, "tell me what happened last night. Was it as bad as I think?" "Even worse," she said, her voice oozing scorn. "You made a complete ass of yourself. You succeeded in antagonizing the entire board of directors and you insulted the president of the company, right to his face." "He's an asshole," John said. "Piss on him." "You did," came the reply. "And he fired you." "Well, screw him!" said John. "I did. You're back at work on Monday."

A guy walks into a bar and asks for a shot and a beer, and the bartender says, "That'll be four cents, please." The guy nearly spits out his beer. "Four cents?!" he says in amazement. "How much for a cheeseburger and some fried jalapeno poppers?" "Eleven cents," says the bartender. The customer says he's going to recommend this place to all of his friends because of the low prices. "Wow!" he exclaims. "Where's the owner so I can thank him for these low prices and shake his hand?" "Oh, he's upstairs," says the bartender, "with my wife." "What's he doing upstairs with your wife?" the customer asks. "Basically the same thing I'm doing to him down here" the bartender calmly replies.

Three blonde friends died together in a car wreck. They found themselves standing in front of the pearly gates with St. Peter. He told them that before they could enter heaven, they had to tell him what Easter was about. The first blonde said, "Easter is a big holiday where we give thanks, have a big feast and eat turkey. Oooh and there's fireworks!" "Nooooo," said St. Peter. "You don't get in. Too dumb for heaven. Next!" The second blonde said, "Easter is the holiday that we dress up in scary costumes and celebrate Jesus' being born of the virgin and give gifts to each other." "Nooooo," said St. Peter. "You don't get in, either. Next!" The third blonde said, "Well, I know what Easter is all about. Easter is a Christian holiday which coincides with the Jewish Passover. After Jesus celebrated Passover with His disciples, He was betrayed by Judas and turned over to the Romans. They crucified Him on a cross. After He died, they buried him in a tomb and put a huge boulder in front of it." "Very good!" said St. Peter. The blonde continued. "Now, every year, the Jews roll the stone away and Jesus comes out. If He sees his shadow, we have 6 more weeks of basketball." St. Peter fainted!
